

## OVENPROOF MEAT THERMOMETER – GLOW

The CDN Ovenproof Meat Thermometer (IRM200-GLOW) features a glow-in-the-dark dial that makes it easy to see in dark oven cavities. Ovenproof and safe for commercial dishwashers, it is ideal for use in combi ovens, convection ovens, roasters and heated holding units.

NSF® Certified, this model is easy to use, with an extra large 2-inch/5.1 cm dial with a durable laboratory glass lens, and a 5-inch/12.7 cm stainless steel stem.

It can easily be recalibrated with a simple boil test and measures the internal temperature of meat or poultry from 120 to 200° F/50 to 100° C.

### FEATURES

- NSF® Certified
- Easy to read in low light conditions
- Extra large 2"/5.1 cm dial
- Boil test field calibration
